Extraordinary communication

In compliance with its obligation to provide notification of extraordinary events under Act CXX of 2001 on the Capital Market (hereinafter: **Capital Market Act**), **ALTEO Energiaszolgáltató Nyilvánosan Működő Részvénytársaság** (registered office: H-1117 Budapest, Dombóvári út 25, company registration number: Cg.01-10-045985) (hereinafter: **Company** or **ALTEO**) hereby provides the following information.

ALTEO hereby informs its investors that, following the successful issuance of EUR 60.9 million aggregate principal amount on 8 October 2026 under the bond programme previously announced by the Company, it has decided to defer the bond issuance planned for November 2026 under the programme.

The bond programme itself remains unchanged and in effect. Accordingly, throughout the programme period, the Company may consider additional bond issuances in the future if warranted by prevailing market conditions, financing opportunities and the Company's funding needs.

The decision is in line with ALTEO's prudent financing and capital markets strategy, which is based on the principle that the Company undertakes financing transactions only when their terms and timing are conducive to long-term shareholder value creation.
